EcoScan® i6s

Inuvio's EcoScan® i6s (DocketPORT 667) small medical and ID card and receipt scanner provides commercial quality and reliability in the smallest footprint possible. The i6s can scan ID cards, medical cards, driver's licenses, checks, documents, and almost any other type of hard copy media up to 4.13" x 7.25". It can easily handle thick media such as laminated and plastic cards with embossed characters and the resulting image is a clear 600dpi resolution.

Inuvio's ScanSharp® software is designed to work well with all our hardware offerings and can deliver images in your choice of formats such as PDF, JPG, BMP, GIF and more. Applications vary from healthcare such as doctors, dentists, vision, pharmacies, and labs to financial such as banks, mortgage, insurance, shipping, and automotive to security such as law enforcement / government, education, transportation, entertainment, and staffing to small office / home office, tax receipts, and beyond.

BENEFITS

› **EFFICIENT** – Offers single-sided scanning of any card-sized document (up to 4.13"x 10") like laminated medical and ID cards with embossed characters.

› **ACCURATE** – Scans up to 600dpi for clear and accurate images in your choice of formats including PDF, JPG, BMP, GIF and many more.

› **SMALL** – Perfect for any size workspace, like medical admissions, security registration, retail POS counters, and small offices / home offices.

› **COMPATIBLE** – Industry standard TWAIN driver that works with thousands of applications and Inuvio's basic ScanSharp® imaging software are included.

› **WARRANTY** – Inuvio's Industry-Leading 24-Month Limited Warranty.
